

Three HUGE Discounts:

#1. \$20 off EVERY CLASS when you register **before** May. 1; post a flyer **and** take another \$10 off for every flyer you post. 1 flyer per kid per class. **Example: If “Jenny” wants to take 5 classes, you can apply 5 flyer coupons toward her camp tuition for an additional \$50 off!** Post a flyer at work or the local deli, etc to help spread the word about our program. Combine early bird & poster discounts for a total of \$30 off every class! (*When classes fill we cannot add more people. Always check our website for availability.*)

#2. \$10 off every class when you register from May 1 to June 1, then take another \$10 off for every poster you post. 1 flyer per kid per week. See example in **BOLD** above. Combine these for \$20 off each class. (*When classes fill we cannot add more people. Always check our website for availability.*)

#3. After June 1, regular prices apply, but flyers still give you \$10 off every class. One flyer per child per class. See **BOLD** example above. Always check for availability before registering.

Firehouse Art Camp: 20+ Years of EXCELLENCE!

Eric Gibbons, owner and director of the Firehouse Art Camp won the NJ's Best Art Teacher award in 2015! Read more about it here: www.goo.gl/V63GtL

Fun and Art: We are not a craft camp, but a Fine Arts program. We add new lessons every year so students can come again and again. Our lessons are featured in Eric's best selling art education books. Gibbons' intercurricular approach to art education is used as a model in programs around the world. You can see more about his methods at www.ArtEdGuru.com Eric has taught in Japan, Egypt, here in the USA.

We employ 100% Certified Art Teachers: Not crafters, not baby sitters, not college kids, but real teachers with real experience that know how to mold a lesson to best fit your child. All Our Teachers Pass an FBI Background check and have their fingerprints on file. There are always at least 2 adults present. We have passive video security as well.

Our award winning program is simply the best, and recognized internationally for its excellence.

New Class: Dragons and Angels

Try out a fun week of fantasy based art. Create a mythological creature sculpture, and do drawings of fantasy beings, landscapes, monsters, dragons, or helpful fairies, gnomes, elves, and more. It's up to you to explore the friendly or the fearsome.

FLYER SCHOLARSHIPS:

For families in financial crisis we do offer this special scholarship opportunity. While all families can post 1 flyer and earn \$10 off their classes, our Flyer Scholarship Families can post as many as possible and use the flyer coupons like cash to pay for classes. 15 flyers pays for a week of 1/2 day camp. We have tips and tricks to putting up a LOT fast. This way classes are earned, and it helps our program reach more families. Please contact us via email or a phone for more information. **We HAVE COLOR flyers you can use** (while they last.) Thanks for helping us to help you! *Scholarship status is kept confidential.*

Partial Payments:

In general, classes can only be held with payment in full. However that may not be possible for some. If you are signing up for **more** than 2 weeks of classes we will hold classes with a deposit of 50%. If registering for 4 or more weeks a 25% deposit would be expected. Please make monthly installments but we need full payment by **June First**, or unpaid classes will be released to those who can pay in full.

EXTENDED HOURS & Timeliness

We open our doors 10 minutes before class, and clean up about 10 minutes before dismissal for all classes. It is important for parents to be on-time for both pick-up and drop off. Late pick-ups generally mean we need to pay overtime to staff. Students are **ALWAYS** supervised by 2 adults. For those needing more morning and/or afternoon time, we offer extended hours of non-instructional free art time. They may bring a video game, i-pod, or additional snack if needed.

For extensions for both mornings & afternoons, the fee is \$40 per child per week. The fee is \$20 if you only need a morning OR afternoon extension. The single day fee is \$10. (If you run unexpectedly late and did not sign up for extended care, we will expect that you will pay the single day fee so we can pay staff their overtime.) There is no fee to stay through meals when taking a class before and after. Please include this payment with your registration or alert us if you may be late.

Is our Art Camp for EVERY child?

This camp works best for the child that **LOVES** art. Artistic ability is not necessary, we can teach many skills but some kids belong in Sports Camp to burn off tons of energy. We are in our seats a lot. If you know your child can't focus more than 60 minutes on a drawing, our program will be too intense. Some children focus very well with art, some never will. Students with ADHD and some forms of ADD will not do well in our program as we do not have the resources a public school does. One disruptive student in our small space can be a serious issue for all.

PLEASE do not force them to attend because it will be *“good for them,”* encourage attendance because we will help their creative seeds to grow. Questions? Email the owner. Your information is kept confidential!

Our email is LOVSART@aol.com

We know you have choices:

The Bordentown area offers several programs, so why choose us? We have the longest ongoing program (24 years), certified award winning teachers that pass an FBI background check, a program followed by 10,000 other art teachers globally via ArtEdGuru.com. All that and we have the lowest price in the area even before discounts!

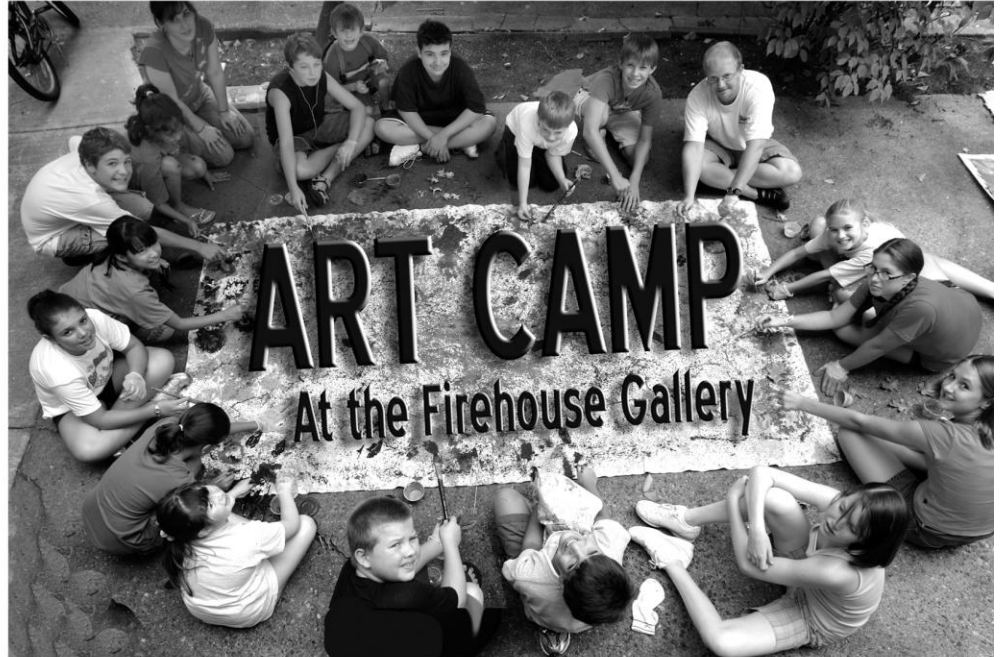

PLEASE post at least one of our flyers at your place of work or local business to spread the word about our program then cut off this tab to include with your application. It's like getting \$10 off every class. **Be sure to ask permission first.**

We posted a flyer here: _____ For our child _____

Cut here & cut tabs Below.....
